6. To layoff employees in the event of lack of work or funds or under conditions where continuation of such work would be inefficient or non-productive.
7. The Township reserves the right with regard to all other conditions of employment not reserved to make such changes as it deems desirable and necessary for the efficient and effective operation of the Department.
- B. In the exercise of the foregoing powers, rights, authority, duties and responsibilities of the Township, the adoption of policies, rules, regulations, and practices, and the furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only to the specific and express terms of this Agreement, and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of New Jersey and of the United States.
- C. Nothing contained herein shall be construed to deny or restrict the Township of its rights, responsibilities and authority under R.S. 40A, or any other national, state, county or local laws or regulations.

ARTICLE 3
RULE AND REGULATIONS

- A. The Township shall and may establish and enforce binding rules and regulations in connection with the operation of the Township and maintenance of discipline, provided such rules and regulations are not in conflict with the provisions of this Agreement. It is understood that application of this Agreement shall not in any way hamper enforcement of the Departmental Rules and Regulations.
- B. It is understood that all employees shall comply with all rules and regulations of the Department and order of directives issued by the Chief of Police or his designee from time to time.

C. If any employee believes a rule, regulation, or instruction is unreasonable or unjust, the employee shall comply with the rule, regulation, or instruction, but with the further provision that such employee may regard the rule, regulation, or instruction as a grievance which shall be handled in accordance with the grievance procedures set forth in this Agreement.

D. A copy of any proposed new or modified rule or regulation shall be forwarded by the Township to the Chief Shop Steward and the Union at least thirty (30) calendar days prior to the proposed date of implementation.

ARTICLE 4

BAN ON STRIKES

A. The Union hereby covenants and agrees that during the term of this Agreement, neither the Union or any person acting in its behalf will cause, authorize or support, nor will any of its members take part in any strike (i.e., the concerted failure to report for duty or willful absence of any employee from his position, or stoppage of work, or absence in whole or in part, from the full, faithful and proper performance of the employee's duties of employment), work stoppage, slowdown, walkout, or other illegal job action against the Township. The Union agrees that such action would constitute a material breach of this Agreement.

B. In the event of a strike, slowdown, walkout or job action, it is covenanted and agreed that participation in any such activity by any Union member shall be deemed grounds for disciplinary action against such employee or employees.

C. Nothing contained in this Agreement shall be construed to limit or restrict the Township in its right to seek and obtain such judicial relief as it may be entitled to have in law.

ARTICLE 5

GRIEVANCE PROCEDURE

A. The purpose of this procedure is to secure at the lowest possible level an equitable solution to the problems which may arise affecting the terms and conditions of employment under this Agreement.

B. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Township. An employee shall have the right to Union representation at each and every step of this grievance procedure. In all disciplinary hearings and/or hearing designated for the appeal of a disciplinary action already taken, the employee shall be entitled to Union representation, the Chief Shop Steward or his designee, and a Union representative from the bargaining unit of which the employee is a member.

C. The term "grievance" as used herein means an appeal by an individual employee or the Union on behalf of an individual employee or group of employees from the interpretation, application or violation of policies, agreements, and administrative decisions affecting them.

No grievance may proceed beyond Step 3 herein unless it constitutes a controversy arising over the interpretation, application or alleged violation of the terms and conditions of this Agreement. Disputes concerning terms and conditions of employment controlled by statute or administrative regulation, incorporated by reference in this Agreement either expressly or by operation of law, shall not be processed beyond Step 3 herein.

D. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, and shall be followed in its entirety unless any step is waived by mutual consent:

Step 1: The aggrieved or the Union shall institute action under the provisions hereof within seven (7) calendar days after the event giving rise to the grievance has occurred, and an earnest effort shall be made to settle the differences between the aggrieved employee and his/her immediate supervisor for the purpose of resolving the matter informally. Failure to act within said seven (7) calendar days shall be deemed to constitute an abandonment of the grievance.

Step 2: If no agreement can be reached orally within seven (7) calendar days of the initial discussion with the supervisor, the employee or the Union may present the grievance in writing within seven (7) calendar days thereafter to the Chief of Police or his designated representative. The written grievance at this step shall contain the relevant facts and a summary of the preceding oral discussion, the applicable section of the contract violated and the remedy requested by the grievant. An incomplete submission shall permit the Chief of Police to request the additional required documentation without his response time beginning until the submission is complete. However, an incomplete submission shall not be grounds for dismissing the grievance as

)
untimely filed. The Union, at the time of the submission, may request a meeting with the Chief of Police. The Chief of Police or his designated representative will answer the grievance in writing within fourteen (14) calendar days of receipt of the written grievance, or the meeting, whichever is later.

Step 3: If the Union wishes to appeal the decision of the Chief of Police, such appeal shall be presented in writing to the Mayor within fourteen (14) calendar days thereafter. This presentation shall include copies of all previous correspondence relating to the matter in dispute. An incomplete submission shall permit the Mayor to request the additional required documentation without his response time beginning until the submission is complete. However, an incomplete submission shall not be grounds for dismissing the grievance as untimely filed. The Union, at the time of the submission, may request a meeting with the Mayor. The Mayor shall respond in writing to the grievance within fourteen (14) calendar days of the submission, or the meeting, whichever is later.

)
Step 4: If the grievance is not settled through Steps 1, 2 and 3, either party shall have the right to submit the dispute to arbitration pursuant to the rules and regulations of the Public Employment Relations Commission. The costs for the services of the arbitrator shall be borne equally by the Township and the Union. Any other expenses, including but not limited to the presentation of witnesses, shall be paid by the parties incurring same.

E. The parties direct the arbitrator to decide, as a preliminary question, whether he has jurisdiction to hear and decide the matter in dispute.

The arbitrator shall be bound by the provisions of this Agreement and the Constitution and laws of the State of New Jersey, and be restricted to the application of the facts presented to him involved in the grievance. The arbitrator shall not have the authority to add to, modify, detract from or alter in any way the provisions of this Agreement or any amendment or supplement thereto. The decision of the arbitrator shall be final and binding.

The parties agree that at no time shall they place more than one (1) issue before any one arbitrator at any one time.

F. In the event the aggrieved elects to pursue remedies available through Civil Service, the grievance shall be cancelled and the matter withdrawn from this procedure. It is agreed between the parties that no arbitration hearing shall be held until after the expiration of at least thirty (30) calendar days after the decision rendered by the Mayor on the grievance. In the event the grievant pursues his remedies through Civil Service,

the arbitration hearing, if any, shall be cancelled and the filing fees and expenses incurred thereby shall be paid by the grievant or the Union.

- G. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If any grievance is not processed to the next succeeding step in the grievance procedure within the time limits prescribed thereunder, then the disposition of the grievance at the last preceding step shall be deemed to be conclusive. If a decision is not rendered within the time limits prescribed for decision at any step in the grievance procedure, then the grievance shall be deemed to have been denied. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits provided for processing the grievance at any step in the grievance procedure.

- H. All disciplinary matters where Civil Service does not retain jurisdiction for the purpose of appeal of disciplinary actions shall be governed by this grievance procedure, including arbitration.

ARTICLE 6 NON-DISCRIMINATION

- A. The Township and the Union agree that there shall be no discrimination against any employee because of race, creed, color, religion, sex, national origin, physical disability, or political affiliation.
- B. The Township and the Union agree that all employees covered under this Agreement have the right without fear or penalty or reprisal to form, join and assist any employee organization or to refrain from any such activity. Upon prior notice to the appropriate Township employee, authorized representatives of the Union shall be permitted to inspect Township communications facilities and laboratory and locker room areas utilized by radio dispatchers. - B. Whenever a complaint is made concerning the wages, vacations and/or holidays of the employee, the complaining employee shall have the right to inspect the Township's payroll and time records of the complaining employee.
- C. The Union has the right to designate shop stewards and alternates from the Township's seniority list. The authority of the shop stewards and alternates shall be limited to and shall not exceed the following duties and activities:

If the Shop Stewards are required to meet outside of the Stewards work schedule, they will be granted "comp time" on an hour for hour basis.
- F. A maximum of one (1) employee who is a member of the Union's negotiating committee shall be permitted time off from duty without loss of pay to attend negotiating sessions, and the representative shall be compensated by the Township for all lost earning opportunities, or time loss, so long as the employee has given prior notice to and received prior authorization from his/her immediate supervisor.

- H. The fair share fee for services rendered by the Union shall be in an amount equal to the regular membership dues, initiation fees and assessments of the Union, less the cost of benefits financed through the dues and available only to members of the Union, but in no event shall the fee exceed eighty-five (85%) percent of the regular membership dues, fees and assessments.
- I. The sum representing the fair share fee shall not reflect the costs of financial support of political causes or candidates, except to the extent that it is necessary for the Union to

engage in lobbying activity designed to foster its policy goals in collective negotiations and contract administration, and to secure for the employees it represents advances in wages, hours and other conditions of employment which ordinarily cannot be secured through collective negotiations with the Township.

J. The Union shall establish and maintain a procedure whereby any employee can challenge the assessment as computed by the Union. This appeal procedure shall in no way involve the Township or require the Township to take any action other than to hold the fee in escrow pending resolution of the appeal.

K. The Union shall indemnify, defend and save the Township harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken by the Township in reliance upon salary deduction authorization cards or the fair share assessment information as furnished by the Union to the Township, or in reliance upon the official notification on the letterhead of the Union and signed by the President or Secretary-Treasurer of the Union, advising of such changed deduction.

E. For the purpose of computing vacation time earned in terms of hours, a working day is defined as eight (8) hours. If an employee is attending to an immediate family member, including civil union partner, a doctor's verification of that individual is required. Prior to the return to work, the Township may require an employee to be examined by a physician designated by the Township to verify fitness to return to normal duties. A. All Employees shall enjoy 24 personal hours (three (3) eight hour days) per year for personal business, household, or family matters described in this Article. Personal hours are pro-rated for new employees. Any unused days are forfeited at the end of each calendar year.

B. Business means an activity that requires the employee's presence during the work day and is of such a nature that it cannot be attended to at a time outside the work day.

C. Personal, household or family refers to matters when the employee's absence from duty is necessary for the welfare of the employee or his family.

) D. Application in duplicate for a personal day containing the reasons for the leave must be submitted at least one (1) week in advance. Personal days may be granted without

- C. It is understood that the employee must file an injury report, when physically able, with his/her immediate supervisor so that the Township may file the appropriate Workers' Compensation Claim. Failure to so report said injury may result in the failure of the employee to receive compensation under this Article.
- D. The employee shall be required to present evidence by a certificate given to him from a physician designated by the insurance carrier that he is unable to work, and the Township may reasonably require the employee to present such certificate from time to time.
- E. If the insurance carrier's physician certifies that the employee cannot return to work, the employee shall remain on injury leave. If the insurance carrier's physician certifies that the employee is unable to return to work, and if the Township does not accept the certificate of the physician designated by the insurance carrier, the Township shall have the right, at its own cost, to require the employee to obtain a physical examination and certification of fitness by a physician appointed by the Township.
- F. In the event the Township appointed physician certifies the employee fit to return to

)

duty, injury leave benefits granted under this Article shall be terminated, unless the employee disputes the determination of the Township appointed physician. Then the Township and the employee shall mutually agree upon a third physician, who shall then examine the employee. The cost of the third physician shall be borne equally by the Township and the employee. The determination of the third physician as to the employee's fitness to return to duty shall be final and binding upon the parties. In the event the third physician also certifies the employee fit to return to duty, injury leave benefits granted under this Article shall be terminated.

G. The Township, at its option, and upon certification by the Township appointed physician, may extend the injury leave for no more than one (1) additional year. The Township appointed physician must certify that the employee is incapable of performing his duties for the additional time period.

APPENDIX "A"
HEALTH BENEFIT PACKAGE

Plan A: Effective March 1, 2009, the following plan design modifications shall be made to the current health benefits program (Plan "A"):

- The prior practice of separately refunding deductibles is eliminated. Deductibles continue to qualify for reimbursement under the health spending account.
- Health spending account for all non-reimbursed eligible medical expenses is increased from \$600 to \$625 per year.
- \$10 co-pay for doctors visits in-network.
- Prescription drug co-pays for retail purchases (maximum of 30-day supply) shall increase to \$5 for Generic; \$15 for Brand; \$35 for Formulary; and to \$50 for Lifestyle. Mail Order prescriptions (maximum of 90-day supply) shall be 1X the retail co-pay.
- Effective upon ratification, HMO Blue and Aetna HMO will no longer be an option for current and future employees. Employees currently enrolled in HMO Blue and Aetna HMO are "grandfathered."

Plan B: As an alternative to Plan A, employees may select the Flexible Benefits Plan (Plan "B"), which list a menu of benefits that an employee may choose. Employees will thereby be able to design their own Health Benefit/Other Benefits Package based on a limit of \$4,500.00 per year of the individual price tag amounts on the menu. The items in Plan "A" will be included on the Plan "B" menu.

Plan "B" Menu will include non taxable items and taxable items. On taxable items the amount of benefit credit will be charged to the employee's gross earnings as other compensation and full taxes, State and Federal including FICA will be deducted.

If an employee selects a schedule of items that exceeds the \$4,500.00 Benefit Credit provided in the Contract a payroll deduction may be made for the excess, however, this will be limited to 10% of the total Benefit Credit, which will be \$450.00 if the items selected exceed two menu items.

Once a menu is established for a calendar year, items cannot be added to, or deleted from, the

list. The parties will review the menu for revisions on an annual basis.

In the opinion of the Township, the menu qualifies under Section 89 of the IRS Code effective 12/31/88; however, if any item is determined to be taxable by the IRS, the item will be reclassified from the non-taxable to taxable schedule.

Active bargaining unit members shall contribute towards health insurance premium share pursuant to Chapter 78, P.L. 2011 regulations.

Employees who retire after the execution date of this agreement of this provision shall contribute 1.5% of pension, meaning that their contribution shall be based on 1.5% of the monthly retirement allowance (inclusive of COLAs).

Retired members, with less than twenty (20) years of service as of June 28, 2011 will pay based upon the contribution schedule set forth in Chapter 78, P.L. 2011, 1.5% of pension, whichever is greater. Contributions based on 1.5% of pension shall be based on 1.5% of the monthly retirement allowance (inclusive of COLAs).
